8 INCOME TAX WITHHOLDING (form W-4P)

Generally, retirement distributions are subject to federal and, in some states, state income tax. The law requires 10% Federal tax withholding unless you elect otherwise. This does not apply to Roth IRA distributions. You may make a withholding election by selecting one of the options below. Your election will remain in effect for any subsequent distributions unless you change or revoke it by providing us with a new election.

Please select one of the following:

- I elect **not** to withhold Federal income taxes from my distribution(s)
- I elect to withhold the minimum 10% of the distribution for Federal income tax
- I elect to withhold the following percentage (must be greater than 10%) or specific dollar amount for Federal income tax
_____ % OR \$ _____

Caution: Even if you elect not to have Federal income tax withheld, you are liable for payment of Federal income tax on the taxable portion of your distribution. You also may be subject to tax penalties under the estimated tax payment ruled if your payments of estimated tax and withholding, if any, are not adequate.

Some states require state income tax withholding if Federal taxes are withheld. If your address is located in one of these states, we will withhold the minimum required by your state unless you specify a higher amount below.

Some states require withholding unless you specifically elect not to have tax withheld. We will automatically withhold the minimum required by your state unless you check one of the boxes below.

- I elect **not** to withhold state income tax from my distribution(s)
- I elect to withhold my state's minimum requirement
- I elect to withhold the following percentage or specific dollar amount for state income tax
(must be greater than your state's minimum requirement)
_____ % OR \$ _____
