Important Notices

- The USA PATRIOT Act

To help the government fight the funding of terrorism and money laundering activities, Federal Law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We also may ask to see your driver's license or other identifying documents. This information will be verified to ensure identity of all individuals opening a mutual fund account.

The bolded items in "Section 1 ACCOUNT TYPE" below must be completed and will be verified as required by the USA PATRIOT Act.

- Escheatment

Your property may be transferred to the appropriate state (i.e., escheated) if no activity occurs in the account within the time period specified by state law. For more details, consult your state's website or call your state government's escheatment customer service number.

7 COST BASIS METHOD

Cost Basis refers to the amount you paid to purchase shares in a particular mutual fund. The difference between what you receive when you sell your shares and your cost basis (what you paid) will determine the gain or loss you realize.

You must select a cost basis reporting method for each account that you open. The cost basis method you elect will determine the order in which shares are redeemed and how your cost basis information is calculated and subsequently reported to you and to the Internal Revenue Service (IRS). Please consult your tax advisor to determine which cost basis method best suits your specific situation.

If you do not select a cost basis method, your account will default to Average Cost.

Average Cost Averages the purchase price of all acquired Covered Shares.

FIFO First In, First Out: oldest shares are redeemed first.

LIFO Last In, First Out: newest shares are redeemed first.

HIFO Highest Cost, First Out: highest cost shares are redeemed first.

LOFO Lowest Cost, First Out: lowest cost shares are redeemed first.

HILT High Cost Long Term: shares with a long-term holding period are sold first, beginning with those with the highest cost.

HIST High Cost Short Term: shares with a short-term holding period are sold first, beginning with those with the highest cost.

LILT Low Cost Long Term: shares with a long-term holding period are sold first, beginning with those with the lowest cost.

LIST Low Cost Short Term: shares with a short-term holding period are sold first, beginning with those with the lowest cost.

SLID Specific Lot Identification: specify shares to sell. This option is offered only at the time of redemption.

I choose the following cost basis method for the following Pear Tree Funds:

- **PATRIOT ACT Certification:** I certify that I have received, read and understand the PATRIOT ACT information provided in the prospectus, and that the information that I am providing is true and accurate. I understand that each Fund and/or its agents will not accept money and/or open this account on my behalf if my identity cannot be properly verified. I understand that Funds may request certain information to verify my identity (e.g., driver's license, passport, articles of incorporation). I authorize the Fund and its agents to inquire from any source, including a consumer reporting agency, as to my identity (as required by federal law), credit worthiness and ongoing eligibility for the account (and that of my spouse, if I live in a community property state) at account opening, at any time through the life of the account, and thereafter for debt collection or investigative purposes.

- I certify that I am of legal age in my state of residence and that I have the authority and legal capacity to open and give instructions for this account.

- I certify that I have received and read the current prospectus of each Fund listed in **Section 3** in which I am investing. I agree to read the prospectus for any Pear Tree Fund(s) into which I request an exchange in the future. I agree that none of the Pear Tree Funds, their distributor, transfer agent or affiliated companies, or their directors, trustees or employees will be liable for any loss, cost or expense as a result of acting on such instructions, provided the Fund employs reasonable procedures to confirm that such instructions are genuine.

- For each Fund account, I authorize and consent to the consolidation of mailing (i.e., "householding") of documents such as prospectuses, shareholder reports, proxies and other similar documents. I understand that I may contact the Funds to revoke my consent.

- I authorize the Fund and its agents to issue credits to and make debits from the account for which I have provided a voided check in **Section 4**.
